Our Goal for SLT:

Student Leadership exists to cultivate unified and personal spiritual growth by means of accountability, discipleship, service, responsibility, and a community of fellowship between peers. These qualities are expected to permeate throughout all areas of one's life: within the church and outside, at school, during social activities, and online. This Student Leadership team will be less focused on duties and tasks, and more about who you are becoming as a person in Christ. Our students are expected to live a life which strives to glorify God in all areas, not using youth as an excuse, but as an opportunity to be an example of Christ (1 Timothy 4:12). This in no way means that we expect perfectly disciplined students, but to instead intend to work with students who truly desire to grow in their faith, regardless of personal struggles or trials.

"Do not let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity." 1 Timothy 4:12

Specific meeting times, expectations, format, and other information will be explained at first meeting (which is also TBA).

Application must be completed and submitted to Thomas, Megan or Stephen by Sunday, October 10th.
