

Shoreline Community Church

High School Update

May 2011

CRAVE

Thursday Nights // 7-9 p.m.

Crave is our weekly event designed for students to connect with other students and leaders. We are serious about a few things:
Having way too much fun
Hanging with old & new friends
Living out God's Word

Sermon Series - No Place like Home?

3 Week Series // May 1, 8, & 15 // 11:30 a.m. // Youth Room

Dorothy got swept out of Kansas and dropped into the land of OZ. The rest of her story is about a quest to find her way home. We are all on this journey. Our heart longs for a place where we are loved, needed, and valued. Join us on May 1, 8, & 15 as we discover how our families and the Shoreline Community Church family can become the home each of our hearts are longing to discover.

Open Mic Night

May 13 // 7-10 p.m. // Youth Room

The Music Ministry at Shoreline is having an Open Mic Night on Friday, May 13, from 7-10 p.m. Join us in the Youth Room and share your songs or poetry at this family friendly event. Snacks and refreshments will be provided. To perform, please contact Music@shorelinechurch.org

Big Picture Bible Class

May 14 // 9-3 p.m. // Shoreline (free lunch provided)

Have you ever wondered what it'd be like to understand the entire Bible? How does the New Testament relate to the Old Testament? And all those prophecies, laws and psalms; are they even relevant to you & me in today's world? The answer is YES! Come and experience HOW & WHY. Sign up at the Connections Center.

Winner's Circle Game Night

May 20 // 7-10 p.m. // Laguna Grande Park

When is the last time you played a huge game of Capture the Flag with a ton of people? Have you ever played Ultimate Frisbee with 50 friends? That is exactly what we will be doing at Laguna Grande Park on May 20! This event is totally **FREE**, so bring your friends! We will finish our night at MYO (on Alvarado Street).

Outreach Event

May 21 // 9:45-11:30 a.m. // Windsor Convalescent Home

Shoreline High School Ministry will be joining Community Outreach at the Windsor Convalescent Home. We're taking a team to spend some quality time with the residents. We want to be the "hands & feet" of Jesus by actively serving our new friends. This is a great opportunity for you to put your faith in action. Contact Nate Tibbs to join the team.
