High School Worship Arts

As High School pastor of Shoreline Community Church, I just want to take a moment and thank you for allowing us to partner with you and your family. I also want to share my excitement about all that's going on this winter.

The journey will take us to Community Outreach initiatives every month, serving the homeless, retirement residents, local teachers, faculty, staff, etc. We'll spend time in Bible studies on Thursday nights. Our Sunday worship gatherings will correlate with the same theme & content as the main celebration service.

We're offering exciting events, designed for new students to get connected, such as a photo scavenger hunt, Anti-Valentine's Party, Open Mic Night, Night of Worship, outreach opportunities, summer camps, etc.

A great resource, regarding parenting teens and understanding youth culture is CPYU.org. Check it out. You'll love it. Thanks again, and know that we're praying for your family.
